

Cub Scout Pack

Mendham, N.J.

133

April 2017: Scout Law Core Value: THRIFTY Scouting Adventure: POWER UP! • A Scout protects and conserves natural resources. Scouts explore the science of energy through solar, electrical, wind and even “Cub Scout” power. They will also discover how this energy is used in everyday life. They will explore different ways to conserve energy and protect the world we live in.

A very big welcome to our new Cubmaster – Lawrence Morris.... At our annual Blue and Gold Celebration back in February, we said a fond farewell to Cubmaster Jack Kiefer and introduced our new Akela, Cubmaster Morris. Lawrence started his Scouting career in Tewksbury, NJ where he also earned his Eagle Scout Award and was a member of the Order of the Arrow. Please help us welcome Cubmaster Morris to Pack 133.
